

# 2025-2026 Price Update

Jun 27, 2025

Dear Valued Wheeler Rex Partner,

Thank you, our dedicated partners, for your continued support throughout 2024-2025.

Wheeler-Rex is continuing to invest in increasing our inventory. We are achieving this through increased order quantities on our purchases, increasing our production by adding more people, and bringing more manufacturing in-house.

Each year, we assess our pricing strategy, and **effective August 1, 2025, we will implement a new price list.** There will be a 7% average increase on most tools and parts. Attached you will find our new 2025-2026 price list.

If you would like a physical copy of the price booklet, please contact us via email at [wheeler@wheelerrex.com](mailto:wheeler@wheelerrex.com) or by phone (800-321-7950).

Please note we have changed our minimum order requirement from \$49.99 to \$55.00.

Please forward this email to your customers or appropriate personnel.

Your continuous support, understanding, and loyalty to Wheeler-Rex is greatly appreciated.

Thank you,

Christopher D. Fazio

A handwritten signature in black ink that reads "Chris Fazio".
